Full Description: Product PinPoint/ Image Galleryfor nopCommerceExecula Product PinPoint/ Image Gallery is the most powerful and intuitive plugin to create Sliders / Banners for websites. Its superb functionality allows users to view products quickly from Slider Hotspot from where they can directly add them to the cart. It is fully responsive and lets you create beautiful sliders without the need for any code. Add beautiful slides to your posts or pages with superior quality images and appealing styling to get improved user engagement. From simple text color and fonts to hotspot animation and effect duration, you have access to almost unlimited styling options. Another best feature about the Product PinPoint plugin is its flexibility that lets you adjust and customize every aspect of your slides. This interactive slider plugin also provides a flexible & quick solution to manage an unlimited number of slider instances anywhere on your website. Developed by Execula LLC.Features1.Upload an unlimited number of visual images for your slider.2.Allows you to set the widget zone that decides where the slider will show.3.You can add hotspots on the image slider. These hotspots are visible as a small product box on the banner.4.Clicking on the hotspot will show a ‘Quick View’ of the product. Customers can add products from that window directly.5.Offers great differentiation options and a better user experience.6.High level of personalization that helps to grab users’ attention.7.Easy to set up, use, and customize.Note: Product PinPoint/ Image Gallery requires the ‘Product Box’ plugin for Quick view functionality.SpecificationsSupported versions 3.6, 3.7, 3.8, 3.9, 4.0, 4.1, 4.2, 4.3, 4.4Multi-storeResponsive DesignRazor files are open to modificationsThemeableEasy to install and manage from the nopCommerce Admin panel
